

Wines: 18 (gran reserva level)

Our wines, simply called 18, honour Chile's Independence Day; and, the indigenous, proud locals who managed to reconquer its lands from the Spanish on 18th September 1810. This brand underlies our spirit of perseverance and love of the land... and of course all it produces.

These wines were hand picked, with the utmost care, in small baskets from the very best parcels within our premium vineyard sites, aged in oak for several months, resulting in these complex, harmonious wines.
