

Andean Perch
Red Wine
2014

Introduction

From one of Chile's most dynamic wineries, specialising in very competitively priced deals for its importers.

While the plant is situated in the heart of Chile's wine growing area, the grapes come from a variety of different regions in the constant search for attractive, harmonious, easy-drinking wines.

The technical team behind this wine is considered perhaps the best in Chile. With a wealth of experience from which to draw, this wine was prepared using only best practices, supported by state-of-the-art equipment.

We pride ourselves in offering excellent service, the result of an attention-to-detail that is second to none.

Tasting Note

This supple red wine has hints of wild berries on the nose. On the palate it is soft and round, with surprisingly attractive tannins. A wine that will perfectly accompany a wide array of red meats and also very enjoyable to be drunk on its own.

Harvest Dates

7th to 18th April 2014

Appellation

Wine of Chile

Technical Information

Alcohol: 12°
Residual Sugar: 5g/L
